## CHICKEN PREPARATION

Wash and sanitize hands, then put on clean single-use disposable gloves.

***Ensure breading is free of any clumps! Breading must be sifted after every 2 cook cycle of chicken has been prepared***

- 1.Take the chicken by tong to breading. To separate the chicken pieces on the breading surface and over with breading.
- 2.Tumble the chicken 10 times.
- 3.Using clean sanitized red tongs, place the desired number of chickens into the batter basket. ensure chicken is fully submerged for 5 seconds.
- 4.Using the tong to move the chicken to Doritos breading.
- 5.Cover the chicken with Doritos breading with press.
- 6.Using gloved hands, remove chicken fillets one at a time from the Doritos breading.
- 7 . Remove excess breading by gently shaking fillets over the breading pan.

## SANDWICH PREPARATION
